

**SUPPLEMENTAL GUIDE SIGNS**

07/21

**1.0 Description.** All installation, relocation and repair of Tourist Oriented Destination Signs (TODS), Specific Service Signing (Logos), traffic generator signs (private tourist-oriented activity sites, Colleges, State and Federal Agency sites, Welcome Center Affiliate sites and State Correctional Centers) shall be coordinated between the engineer, contractor and the designated Program Manager for MoDOT's Supplemental Signing Program.

**1.1** It shall be noted by the contractor that the Program Manager is responsible for the installation, relocation and repair of all TODS, Logo and traffic generator signs on Commission owned right of way. The contractor shall be solely responsible for determining if the project will affect these signs due to contractor operations during construction of this contract. The contractor shall be responsible for notifying the Program Manager at the time of the preconstruction meeting when one of these signs is determined to be affected and advise the Program Manager of the project details. The Program Manager will attend these meetings at their discretion and shall be contacted during normal business hours Monday-Friday at the number provided by the engineer.

**1.2** The Program Manager will be responsible for any installation or relocation of these signs. If the Program Manager has to perform work within the limits of the project, the Program Manager will conduct work so as not to interfere with or hinder the progress or completion of the work being performed by the contractor. Full cooperation of the contractors involved, in careful and complete coordination of their respective activities in the area, will be required.

**2.0 Basis of Payment.** No direct payment will be made to the contractor to recover the cost of equipment, labor, materials or time required to fulfill this provision. The Program Manager shall submit an invoice to the engineer for the work completed, with the costs associated being based on the Supplemental Guide Sign Contract agreed upon pricing. This work is considered non-contractual and will be processed through MoDOT's Financial Services Division.

**REVISIONS TO 2022 MISSOURI STANDARD SPECIFICATIONS FOR HIGHWAY CONSTRUCTION****SECTION 102 – BIDDING REQUIREMENTS AND CONDITIONS**

*Delete Sec 102.12.2.1 thru Sec 102.12.2.3 and substitute the following:*

01/23

**102.12.2.1** To combine all projects in a permitted combination, the bidder shall enter a complete bid for each project and mark the "All or None" box in the Bid. By marking "All or None" and combining all the projects, the bidder will be awarded all the projects in the combination or none of the projects.

**102.12.2.2** If the bidder does not combine all of the projects, bids for the individual projects will be considered separately. The bidder shall complete the bid for each project the bidder desires to bid and leave the project's bid items blank for all projects not bid.

**SECTION 104 – SCOPE OF WORK**

Effective with the January, 2023 letting.
---

*Add Sec 104.7.3.1:*

10/23

**104.7.3.1 Preliminary Maintenance.** Prior to the start of construction operations, the contractor shall notify the engineer of any preliminary pavement surface maintenance work that, in the opinion of the contractor, should be completed prior to the contractor assuming maintenance responsibility. The engineer will review such notice and respond with either concurrence or rejection of the request for preliminary maintenance work. If preliminary maintenance work is deemed necessary, the engineer will either arrange for the work to be done by others prior to the start of construction operations or will direct the contractor to perform the work prior to the start of construction operations. If the contractor is directed to perform the work, payment will be made per Sec 109.4.

**SECTION 109 – MEASUREMENT AND PAYMENT**

*Delete Sec 109.15.1 and substitute the following:*

10/22

**109.15.1 Asphalt Cement Price Index.** Adjustments will be made to the payments due the Contractor for any plant mix bituminous base, plant mix bituminous pavement, plant mix bituminous surface leveling, asphaltic concrete pavement and ultrathin bonded asphalt wearing surface that contains performance graded (PG) asphalt binder when it has been determined that the Monthly
