

MAPA Meeting – August 3, 2023

Recent and Upcoming Policy Changes

Engineering Policy Changes

- a. **EPG 1007** - Processes for the Districts and CM Lab are being updated to establish how comparable and non-comparable tests and material will be handled.

Job Special and General Provision Changes

- a. **JSP-18-01 Supplemental Revisions** – Add revisions to 403.19.2- limitation to lot size 4,000 tons—essentially doing away with Super Lots, effective August 2023
- b. **JSP 18-07 Optional Temporary Pavement Marking Paint** - updated dates to reflect 2024/2025 construction season

Standard Specification Changes (effective October 1)

- a. **Sec 108 Prosecution and Progress** - Subletting of Contract—changing our requirement from 40% to 30% to align with Federal Requirements, **corresponding EPG 108.1.1**
- b. **Sec 304 Aggregate Base Course** - Quality Assurance-- changes to the tolerances in the table
- c. **Sec 401, 402, 403 Weather Limitations** - Change terminology from “bituminous mixture” to “no mixture” Add “below 40 F temperature” limitations for air and surface temperature requirements.
- d. **Sec 616 Changes to Fleet Lighting**

616.5.1 Amber or Amber and White Warning Lights. All on-road construction-related vehicles and equipment shall operate with amber or amber and white warning lights ~~having 360 degrees of total coverage~~ and as follows:

~~(1a) For daytime operations, SAE Class 1 or 2 lights shall be used. Lighting shall be visible to approaching traffic from front, rear, and sides.~~

~~(b2) For daytime operations, SAE Class 1 or 2 lights shall be used. For dusk to dawn operations, SAE Class 2 lights shall be used, or SAE Class 1 lights with dimming capabilities to minimize glare experienced by travelers.~~

~~(c) Lighting display will be high intensity rotating, flashing, oscillating or strobe lights.~~

I

- e. **Sec 1042 Highway Sign Material** – Clarifies sheeting in accordance with ASTM D 4956

Standard Plan Changes

None

Upcoming/Future Revisions

- a. **EPG 616.8 Typical Applications (TAs)** - Continue to be updated. MoDOT will share when the TAs are complete.
