

MAPA Meeting – October 26, 2023

Recent and Upcoming Policy Changes

1. Standard Specification Changes

None

2. Standard Plan Changes

- a. **Std. Plans 616.20** – cleanup of Pilot Car Sign guidance from JSP reference

3. General Provisions

none

4. EPG

- a. **EPG 616.8** Add new TA's for MODOT Employees, and separate guidance for Contract Plan Sheet Development- refer to MUTCD Chapter 6H.

When optional items are referenced in the MUTCD, the contractor may at their discretion utilize the items as incidental, unless they have been added to the TTC plans as a requirement, and applicable pay items will apply. Field adjustments as determined by the engineer will result in adding the pay items via a change order.

5. JSPs

- a. **JSP12-01- Removal and Delivery of Existing Signs**- overhaul, effective November 2023 letting
- b. **JSP23-01 ADA Material Testing Frequency Modifications**- Add as new JSP, effective December 2023

6. Upcoming/Future Revisions

- a. **2024 JOC JSP** templates will be published in the coming weeks
