

Bidders List

- DBE final rule requires that MoDOT collect information from bidders at time of bid relating to firms they considered when putting together their bid.
- Anticipate implementing starting with the April 2025 letting.
- BDC has created an excel spreadsheet that bidders can use to fill in the required information, which is applicable to all federally funded projects.
- A Bidders List tab will be available in BidX where bidders will have the ability to upload their completed spreadsheet as an attachment.
- Bidders that do not submit the attachment at time of bid may be considered irregular.
